

Enhanced Due Diligence Portal

Putting You in Control

Enhanced Due Diligence (EDD) checking is now faster and more efficient with Acuris Risk Intelligence's upgraded service. Our new enhanced due diligence portal puts you in control of the EDD process directly through the KYC6 platform, giving you a real time view on the production of your EDD requests.

Enhanced Due Diligence Portal

Through our secure, self-service KYC6 EDD portal, you can:

- Request individual or batch reports
- Track report status, completion dates and costs
- Schedule refresh dates to manage renewals, efficiently saving time
- Receive email notifications when report status changes
- Contact the Acuris Risk Intelligence EDD research team directly with any questions or requests

Designed to save your business time, cost and resource, Acuris Risk Intelligence's latest EDD service is a one-stop shop for all your enhanced due diligence needs.

Benefits

- Request, track & receive EDD requests directly through our secure KYC6 portal
- Our Acuris Risk Intelligence EDD portal offers 'chat' functionality to connect you directly to our research professionals
- Email alerts will notify you when the reports are ready and available
- You will receive automatic notification of yearly refresh
